RoHS Compliance Statement

This statement is to confirm Lee Manufacturing's position regarding the "Restriction of the use of certain Hazardous Substances in Electrical Equipment (European Council Directive 2011/65/EU)", which is commonly referred to as RoHS.

According to our suppliers, and to the best of our knowledge, the raw materials and manufacturing processes used in our enclosures do not possess levels of cadmium, lead, mercury, hexavalent chromium, polybrominated biphenyl (PBB) or polybrominated dipheyl ethers (PBDE) beyond acceptable limits as identified in the RoHS regulations.

Sincerely yours,

Mr. George M. Eames IV
President, Lee Manufacturing
